PROFESSIONAL SUMMARY

Meta Ads Specialist with 2+ years of experience running performance campaigns for D2C and e-commerce brands. Experienced in campaign setup, audience and creative testing, daily optimization, and reporting across key metrics such as ROAS, CPL, CPA, CTR, and frequency. Has managed monthly budgets of up to IDR 180 million and improved lead efficiency through structured testing and close performance analysis. Brings a strong visual background from photography and video production, which supports better creative judgment in paid media.

PROFESSIONAL EXPERIENCE

Meta Ads Specialist (Performance Marketer) · Contract — PT Anggun Vital Indonesia (SVO Indonesia)

Palmerah, Jakarta Aug 2025 – Dec 2025

- Managed end-to-end Meta Ads campaigns for beauty & health D2C products, overseeing a monthly budget of **IDR 180M/month**.
- Achieved the most efficient CPA — 53% below company SOP target (IDR 150K) and ~3x more efficient than team average, through audience segmentation and creative-level optimization
- Built and managed full-funnel campaign structures (TOFU/MOFU/BOFU) using CBO and ABO, with systematic A/B testing across hooks, visuals, angles, and landing pages
- Implemented AI-driven creative production workflows (voice cloning, AI B-roll generation) to accelerate ad output and reduce dependency on physical shoots
- Analyzed daily dashboard metrics (ROAS, CPA, CPL, CTR, Frequency) to make real-time decisions on scaling, pausing, or killing ad sets
- Collaborated with creative team to brief new ad designs based on performance data

Digital Marketing Consultant · Freelance — Confidential Clients

Remote Sep 2024 – Present

- Provide strategic consulting for two active clients: a fine dining restaurant (lead generation) and a wellness/health product brand (D2C) — advising on campaign structure, creative angles, audience targeting, and budget allocation
- Called in as performance advisor when campaigns underperform — diagnose root causes and deliver recovery action plans
- Clients operate independently; role is strategic direction and creative advisory.

Head of Digital & Creative · Self-employed — Jejak Pribadi Organizer (PT KCS)

Bogor, Jawa Barat Dec 2023 – Present

- Lead creative and digital strategy across platforms for a corporate event organizer
- Manage a team of writers, designers, and content producers — maintaining brand voice, clarity, and consistency
- Write and oversee persuasive English and Indonesian copy for campaigns, event collaterals, and social media

Freelance Photographer & Videographer · Freelance — Various Clients

2021 – 2026

- Produce promotional and profile videos for businesses; event documentation for corporate and private clients
- Background in visual storytelling informs creative ad briefs and hook strategy for Meta campaigns
